

BUNTING BANNER {FREE PRINTABLE}: Type in a letter or a number in the highlighted field to personalize each triangle. Print on white cardstock paper, then cut along the triangle shape outline. Continue these steps until you complete your banner. Attach a ribbon to the set of printed triangles by punching small holes on the top corners. You can also simply tape the ribbon to the backs of each triangle. You may save your file with your new changes by going to "File" and "Save As...", under a different name.
